The Contractor and his or her employees or agents performing under this Contract are not employees or agents of HCA. The Contractor will not hold himself/herself out as or claim to be an officer or employee of HCA or of the State of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such employee under law. Unless otherwise provided, all materials produced exclusively under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by HCA. HCA shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, Contractor hereby irrevocably

The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to HCA.

The Contractor shall exert all reasonable effort to advise HCA, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. Upon reassignment or termination of any Contractor staff, Contractor agrees to promptly notify HCA.

3.38 SUBCONTRACTING

Neither the Contractor, nor any Subcontractors, shall enter into subcontracts for any of the work contemplated under this Contract without prior written approval of HCA. Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this Contract are included in any subcontracts. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons confidential information without the express written consent of HCA or as provided by law.

If, at any time during the progress of the work, the HCA determines in its sole judgment that any subcontractor is incompetent or undesirable, the HCA shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work.

The rejection or approval by the HCA of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the HCA.

The HCA has no contractual obligations to any subcontractor or vendor under contract to the Contractor. The Contractor is fully responsible for all contractual obligations, financial or otherwise, to their subcontractors.

HCA reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by HCA to terminate the Contract.

In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising, and staff time. HCA shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service accepted by HCA and the amount agreed upon by the

Contractor and HCA for (i) completed work and services for which no separate price is stated; (ii) partially completed work and services; (iii) other property or services which are accepted by HCA; and (iv) the protection and preservation of property, unless the termination is for default, in which case the HCA shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. HCA may withhold from any amounts due the Contractor such sum as HCA determines to be necessary to protect HCA against potential loss or liability.

Upon receipt of notice of termination, and except as otherwise directed by the HCA, the Contractor shall:

- 3.43.4.1 Stop work under the Contract on the date, and to the extent specified in the notice;
- 3.43.4.2 Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;
- 3.43.4.3 Assign to HCA, in the manner, at the times, and to the extent directed by HCA, all the rights, title, and interest of the Contractor under the orders and subcontracts so terminated; in which case HCA has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;

- 3.43.4.7 Take such action as may be necessary, or as HCA may direct, for the protection and preservation of the property related to this Contract which is in the possession of the Contractor and in which HCA has or may acquire an interest.

3.43.5 TERMINATION FOR WITHDRAWAL OF AUTHORITY

In the event that the authority of HCA to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract and prior to normal completion, HCA may terminate this Contract in whole or in part, under Section 3.43.3 of this Contract. No penalty will accrue to HCA in the event this section is exercised. This Section shall not be construed so as to permit HCA to terminate this Contract in order to acquire similar Services from a third party.

3.44 WAIVER

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing signed by HCA and attached to the original Contract.

EXHIBIT A STATEMENT OF WORK

The Contractor shall provide services and deliverables, and otherwise do all things necessary for or incidental to the performance of work as set forth below:

Task 1 – Outline Medicaid 1115 Waiver Application

The Contractor will review materials prepared to inform discussions between the Center for Medicaid and CHIP services (CMCS) and Washington State regarding the concept proposed for an 1115 Medicaid Delivery System Reform Investment Payment (DSRIP) waiver demonstration. CMCS guidance and outstanding questions will be made available to Contractor through weekly phone conversations (as needed) with Washington Medicaid leadership and staff. Any information in writing will be provided to Contractor at the outset of the contract.

Based on information provided, the Contractor will develop a Washington-specific outline, incorporated into a power point presentation, for an 1115 DSRIP waiver application that:

- Summarizes and organizes details into the CMCS-required 1115 waiver template
- Highlights gaps in information needed to complete a comprehensive application, with particular attention to the relevance of CMCS' questions (as provided by Washington State) and lessons learned from other states' 1115 DSRIP waivers
- Identifies key waiver elements, indicating where activities and details may be more fully developed after application submission
- Aligns with Washington's Healthier Washington initiative and other significant payment and delivery system reform initiatives identified by the State

Using a power point presentation, the Contractor will facilitate targeted workgroup discussions on the waiver outline with key Medicaid officials (to be identified by the HCA), over two (2) or two and half (2.5) days in Washington State. These discussions will be structured to fill information gaps where possible, clarify work needed and timing to quickly gather outstanding information, and/or support consideration of alternative strategies to address unresolved content issues over the course of the waiver demonstration. Anticipated work to be completed for a final waiver application will be summarized by the Contractor following the workgroup discussions and HCA will attempt to quickly secure critical information needed to advance the waiver application.

First payment of \$100,000 will be disbursed after Task 1 deliverables are complete.

Task 2 – Develop Draft Medicaid 1115 Waiver Application

Building on details gathered in task 1, the Contractor will develop a draft application for Washington's 1115 waiver demonstration, with any remaining information gaps highlighted. The Contractor will also provide memorandum outlining potential policy options to address gaps. The

Contractor will consult regularly with HCA during weekly phone calls and will input into the draft application any additional information provided by HCA and identified during task 1.

The Contractor will also develop a complementary work plan that identifies remaining issues and questions and proposes opportunities to address unresolved content issues over the course of the waiver demonstration. The work plan will also reflect timeframes for required public notice and Tribal consultation. In the work plan, the Contractor will identify priorities and challenges where the State can best leverage NGA Policy Academy technical assistance and/or other relevant technical assistance opportunities. The Contractor will engage in a half day video conference discussion with key Medicaid officials to review outcomes of deliverable 2.

Second payment of \$100,000 will be disbursed after the completion of Task 2 deliverables and HCA has reviewed and approved final products.
